Green area	Living space	disposal/supply infrastructure	Other Area

## Parcel

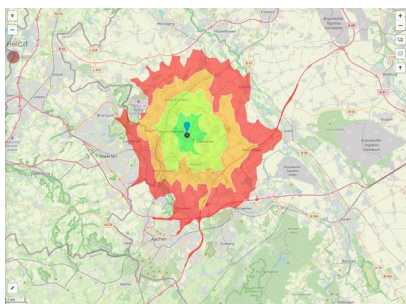

Area size	1,234 m <sup>2</sup>
Price	On Demand
Availability	Immediately available area
Divisible	No
24h operation	No

## Commercial zone

### Tradition and future

The commercial and industrial zone on the B 221 highway combines the tradition of the Weißenhaus commercial zone with expansion in the Holthausen commercial zone. Since 1998 in particular, well-known companies have joined previously resident companies, some of which are world market leaders in their field.

	Antwerpen	135.0	
	Rotterdam	190.0	
Railway	Übach-Palenberg	2.0	
Public transport	Bushaltepunkt	0.0	

## Information about Übach-Palenberg

Originating in a formerly agricultural community, then restructured to a mining town and then transformed into an industrial town with urban features, Übach-Palenberg is today a modern town with a good infrastructure, quiet residential areas, renowned manufacturing companies and numerous public organisations. The transformation is complete.

Since 1996, the Carolus Magnus Centre has been located in the former administration building of the mining company.
