Information about Baesweiler

In order to ensure a good employment situation in the long-term, the local government actively supports small and middle sized companies planning to establish their own business premises in Baesweiler. In the last decade not only various innovative life sciences companies have been founded but also foreign investors have chosen Baesweiler as home for their enterprises. Due to Baesweiler's excellent transport infrastructure and its central location in Europe you can reach nearly all the important European industrial markets within a maximum 4 hours' drive.
