Information about Inden

Inden is connected via the highways A4 Köln-Aachen-Heerlen and Liège A44 Dusseldorf in the region. The neighborhood of the Research Center Jülich supports flexible, long-term settlements.

Invests in the Future: The transformation of the landscape around the opencast mining in Inden creates a lake in the size from the Lake of Tegernsee 2030. But also today this development is the basis for unique local recreation areas around the newly designed landscape . The Goltssteinkuppe with the off-view storm Indemann, cuisine and much opportunities has offers for the whole family.
