Commercial zone

Innovations- und Gewerbepark Herzogenrath

Rather close to the City and immediatly at the station on the area of a former glass factory is temporarily founded a modern and individual business park on 8 hectare to establish commercial, service and techology companies. The excellent local public transport and the separate railway siding offers an interesting locational advantage.

Information about Herzogenrath

Herzogenrath is in immediate vicinity to Aachen, the Netherlands and Belgium. In the Technologie Area of Aachen, Herzogenrath is in a leading position. The Technologiepark Herzogenrath is one of the largest in Europe. In the neighborhood many companies were established with their R & D Centers. With Aachen's Technical University (RWTH), University of Applied Sciences (FH), and the Jülich Research Center (FZ), Herzogenrath is surrounded by unique technological and scientific potential. The new RWTH Campus Area is only ten minutes away.
